

ALoud

The Aloud Charity changes the lives of young people across Wales using the power of group singing.

The Only Kids Aloud Chorus is a pan-Wales choir of 80 girls and boys of primary-school age. It runs annually using a residential model. With no national children's choir in Wales, the OKA Chorus provides an opportunity for aspiring young singers to shine.

Members enjoy monthly regional rehearsals, full national rehearsals, three residential trips and at least three public performance opportunities. This is a rare and exciting opportunity for an organisation to take exclusive or shared sponsorship of the **OKA choir**

Benefits include:

- Company name and logo on the Aloud website and in all relevant promotional material.
- Increased online brand visibility through regular social media acknowledgement across all 8 of its platforms.
- Priority booking or complimentary tickets (when available) and exclusive invitations to events.
- Opportunity for 'behind the scenes' access to rehearsals and performances.
- Community volunteering and wellbeing opportunities for staff, such as the creation of a staff choir (additional costs may apply).
- Opportunities for staff training or professional development workshops.
- Opportunity for nomination at the Arts & Business Cymru Awards 2024.

This package can be a full or shared contribution of £50,000 +VAT.
